## NEWS WORTHY

**AT LARGE** will NOT be at **Miss Vicki's** until **September 10th**.

Many of you have asked when we will be there next. We weren't able to get a date with her this month.

**Go there anyway!!!**

She always has **LIVE MUSIC** and great food. You know that, because we always rave about this,

the coolest little hot spot on the Anclote River in Holiday. All her staff are so friendly. There is a regular crowd, as well as new people discovering it all the time.

**If you haven't been, do yourself a favor, you'll be glad you did!!**

**Missing you shout outs to:**

Vicki, Dominica, Libby, Susan, Genene, Tom, Alecia and the rest of the crew. . . the list is long . . . Been playing there for a couple of years, and still can't remember everybody's name. Bad with names. Good with faces!!! **U 2?**

## **MORE NEWS WORTHY STUFF**

**AT LARGE** HAS SEVERAL **BRAND NEW GIGS** IN THE WORKS. THREE IN NEW PORT RICHEY, ONE IN CLEARWATER, AND TWO IN TAMPA. SO, STAY TUNED, FOR THE NEW DATES COMING UP IN YOUR AREA.

## **HIGHLIGHTS OF THE WEEK:**

We had one of the most fun weeks in a long time.

**Eagles Lodge** in New Port Richey (behind Starbucks on 19 & Gulf Drive)

9,000 square feet, huge dance floor, food, newly remodeled main bar, and bathrooms.

We are there every month now.

**Back Thursday, September 1st**

**Fairway Pizza** was hot as hell but people danced all night anyway. They were staying hydrated :- ) don't you know it!

WE are back there this Friday @ 7pm for Al's birthday party. **See you there?**

**POST 275** in Dunedin rocked Friday night. Patron Tequila was cold, and inspirational. Glad I didn't have to dive home! FFFFun!!!

**DID I SAY "DIVE HOME"?**

**POST 138** in Tampa is new. It overlooks Tampa Bay, right on the water in a wildlife reserve. It makes sense because they get kinda wild out there. Pool tables, boat launch, and overall the youngest crowd we've ever seen at an American Legion. Average age probably around 30.

We've met a really nice group of folks (some are seriously good line dancers - not your Electric Slide or Cupid Shuffle - but more complicated, and fun to watch). We are now there every month through the end of the year. **Woo Hoo!!!**

**POST 273** Got to love the place. Huge, packed, even for off season, lots of newsletter members showed up Sunday.

Thank you!
